Project Manager, GCACP

FPAB is among the leading reproductive health and family planning service providers in Bangladesh. Over the next five years FPAB will be implementing the Global Comprehensive Abortion Care Project (GCACP) to improve access and quality of care of MR services. This project is funded by the International Planned Parenthood Federation (IPPF), U.K.

We are seeking experienced and committed persons for the position of **Project Manager, GCACP**.

Fixed Term to 2013

Job Purpose and Key Tasks

- ▶ To take overall responsibility for the effective implementation of GCACP
- ▶ To supervise the activities of the GCACP Project Team
- ▶ To ensure the provision of effective technical assistance to the selected service delivery points of FPAB in the 22 districts where the project will be implemented
- ▶ To strengthen the quality and sustainability of FPAB's MR programs by facilitating organizational learning on MR.
- ▶ Liaison with the Ministry of Health & Family Welfare, Director General Health Services & Director General Family Planning, other GO/NGO partners.

Education MBBS with Master in Public Health.

Experience At least 10 years experience in SRHR especially in management and implementation of MR/Abortion care programme in Bangladesh.

Salary Range Salary will be commensurate with relevant experience.
